The Technical Session-I started at 11:00 am was based on the thrust area Assessment & Accreditation Methodology in Revised Accreditation Framework (RAF) Dr. Bubul Saikia Resource Person presented a PPT on Process of Revised Accreditation Framework of NAAC. He gave an elaborate description on each & every parameter. He delivered the revised methodology or process of assessment and accreditation. The SSR has two kinds of Metrics: one, those requiring quantifiable facts and figures as data which have been indicated as ‘*quantitative metrics*’ (QaM); and two, those metrics requiring descriptive responses and are accordingly named ‘*qualitative metrics*’ (QM). He discussed the seven Criteria to serve as basis for assessment of HEIs are Curricular Aspects, Teaching-Learning and Evaluation, Research, Innovations and Extension, Infrastructure and Learning Resources, Student Support and Progression, Governance, Leadership and Management, Institutional Values and Best Practices. In his presentation he stated that the assessment process will be carried out in three stages. As stated earlier, it will comprise three main components, viz., Self Study Report (SSR), Student Satisfaction Survey and the Peer Team Report. He covered key aspects of assessment such as QIF, the assessment process, procedures, grading system, fee structure & other financial implications, preparation of SSR, data required for SSR, submission of IQAC & AQAR etc. At the end of the session Mr. Anup Kumar Borah, Convener of the Workshop proposed the Vote of thanks.

The Technical Session-II started at 12.45 pm, was based on Best Practices in Higher Education Institutions , Innovative Benchmarking. The Resource Person Dr. Manasyoti Neog , Principal Harhi College and Mr.Biju Sonowal, IQAC Coordinator, LTK College submitted that “Benchmarking is an ongoing systematic means for measuring and comparing the work processes of an organization. The scene for benchmarking can be set, by considering three fundamental performance issues : whether we are performing better than we have ever performed, whether there are any other organisations that are performing well and from whom we can learn, Are there any practices that will improve our performance. In simple terms, the practices which add commendable value to an institution and its various stakeholders are the best practices. However, they depend on many variables. These should be kept in mind while identifying the practices.”. The organizing Secretary of the Workshop cum Assistant IQAC Coordinator Surjya Kr.Doley proposed Vote of Thanks.
